A COUPLE HAS TO DO WHAT A COUPLE HAS TO DO

They say that: "Desperate times call for desperate measures." Well, due to the recession, my wife and I were both laid off from our jobs. With a high mortgage and monthly car payment to make—not to mention a plethora of other everyday bills—we soon found that desperate measures are, indeed, sometimes called for in certain situations. We quickly ran through our combined life savings, and discovered that foreclosure loomed. Since I had plenty of free time, I spent most of my day perusing the Internet—often "studying" porn sites. Then, the light bulb went off: We could make a lot of money—if my wife fucked for bucks!

That's not as outrageous as it might initially sound. We're a relatively young, sexually liberated couple. Ruth, my wife, is 31, in good shape, and a very pretty blonde, whom always liked to experiment sexually; which is why I figured I'd run the idea past her. One night, a couple of weeks ago, after lubing her up with a bottle of her favorite merlot, I disclosed my plan. At first, she thought I was kidding, but when I told her I was dead serious, she took the idea to heart. We discussed it, and Ruth was open to the idea since she's always been an incredibly horny woman with an unusually high sex drive. She knew that we might become homeless soon, and we mutually decided that it was better to fuck a stranger for money, than it was to beg a stranger for a few cents to buy a sandwich!

I put the plan into action the next morning, when I posted an ad on one of the local "pay-for-play" sites. It wasn't long before we started getting inquiries. In the two weeks since we opened "shop," we've made enough to meet our mortgage and several other bills. Plus, there's been a big added benefit. Ruth's sex drive has been fulfilled, and our sex life is better. My wife recounts her encounters with me, and we both get so turned on that we fuck with the passion of newlyweds. For instance: Ruth's "date" yesterday provided fodder for us to fuck each other all night long last evening.

Most of Ruth's "clients" have been middle-aged gents who usually cum within a few min-

utes of my wife getting down to business. (Of course, they have to pay for the full hour.) Yesterday, though, it was a different story. As she relayed to me, Ruth was pleasantly happy to open the door and find a "very good-looking dude, about 25 years-old" standing there. After some chitchat, they ventured into the bedroom. When he got naked, Ruth said, "Whoa. Not only was he chiseled like a Greek god, but also his cock was magnificent! He was about nine inches—and thick like a salami!"

According to Ruth, once they started fucking, it was incredible. First, my wife gave her client a tongue bath. Her tongue traveled

Suffice it to say, my wife loves to ride a hard-on. When her jaws ached, and her pussy ached for his huge rod—she released it from her mouth and decided to climb on board. She slowly eased her steamy, wet cunt down onto his massive staff, and while holding the base with one hand—Ruth lowered herself—inch by massive inch—until her pussy locked down on the total length of his shaft. Then, as she put it: "The real fun began."

With her butt to his face, on top—taking control just the way she likes—Ruth began riding him like a cowgirl conquering a defiant bronco. She controlled the pace, by first taking it nice and slow, then sinking her cunt further down on his pole, and picking up the speed and intensity. She told me that, "I could feel his prick pummeling my insides—making my pussy feel all mushy by expanding it to the hilt—sending spasms all through my body."

He then whispered that he wanted to take her "doggie style." As he was still inside her, she shifted her body so that her hands braced against the mattress, while he shifted his torso so that he was on his knees, behind her. Then, he began pounding away, and was serious about what he was doing—pounding into my wife with intense passion. She told me that, "I thought I was going to pass out. He was thrusting so deeply, and with so much power, that I began to see stars. I could feel his semen start to spurt into me, but I soon lost focus on that, because I began to orgasm so intensely that I felt like I was in another dimension!"

Needless to say, my wife 7enjoyed the encounter immensely. She gladly would have fucked this stud for free, but he paid her. Best of all, last night she was so aroused that I made her cum three times. I got off a couple of times myself, and won't soon forget the evening. Yup, it sucks being out of a job—but things could be worse. It helps to have a hot wife!

Nowadays, I join in! —Evan P., Saginaw, MI

TICKET TO PARADISE

I had a very unusual experience the other day that I'd like to tell your readers. I think they'd enjoy it, and more than a couple might even get off on it! First, let me say that I'm not your typical male reader. I'm a 29-year-old

27962

over every inch of his body, blazing a trail of saliva over every sinewy muscle. She said that, "Even his muscles had muscles!" Ruth has a thing for nipples, and she told me that she sucked his man knobs with great passion while running her hands over his pecs. His balls were full and meaty, and she sucked on them as his cock began to grow.

Ruth—whom has never been shy about sucking dick—really immersed herself in her new friend's privates. She told me that his cock had a "Life of its own," and until it got bigger and bigger, until his meat filled up in her mouth. "Yet," she said. "He didn't seem close to cumming, no matter how long I was slobbering on his sausage—and I sucked him well."

DOWNSTAIRS!

Nobody believes me when I tell them that Mike and I are double dipping the girl that just moved in to our building. I know all we do is sit around, drink beer, and play our video games, but one day our lives changed for the better. We heard this buzzing noise, followed by animalistic groans and screeches. We were so startled that we had to drop our game controller to see what was going on. Well, low and behold there was Roxy already naked and showing us her shaved pussy. Needless to say, we gave her a very inviting welcome to 11-34 Johnson Street. ♣

SASHA GREY STARRING IN 'ARTISTIC' ANAL FLICK

She may be out of the industry now, but it's hard to forget Sasha Grey's many talents: Acting, writing, music, modeling, and, of course—anal sex. Fans of the legendary starlet can again rejoice as one of her final scenes is featured in Assence Films's debut release, *Anal Artists*.

The steamy scene is sizzling hot, with a lot of chemistry and plenty of pucker play. The Gonzo release also stars: Simone Style, Missy Stone, Sarka Blue, and Sandra Parker; and features extras including a photo gallery and pop shot reel.

"Even though it's one of her final scenes, and she's been out of the industry for a couple years now—the anticipation and demand we've received on this title has been overwhelming. People still love her as much as we do. We're proud to make this our debut release," said Assence Films founder, Mike Kulich. This is the first title released by new production company, Assence Films, which will be releasing three more titles this year. Assence Films is exclusively distributed by Exile Distribution.

GIRLFRIENDS FILMS/TANYA TATE, DONATES 1,000 DOLLARS TO BREAST CANCER COALITION

On behalf of adult performer, Tanya Tate, Girlfriends Films is donating 1,000 dollars to the National Breast Cancer Coalition. Tate's selection is part of Girlfriend's Films monthly charity program—one of the many reasons *XCritic.com* named the company "Adult Studio of the Year."

"As not only a woman, but a woman in her 30's—breast cancer is a serious concern for me," Tate said.

Tate may be seen in numerous Girlfriends Films titles, including "Poor Little Shyla 1, Road Queen 18, and Net Skirts 7.0. Girlfriends Films has a long history of charitable contributions—having donated more than 20,000 dollars in 2011. Last year, the company restructured its charity program from an annual end-of-year donation to an ongoing, monthly program.

JADA FIRE ANNOUNCES HER RETIREMENT FROM XXX

After 14 years in the jizz biz, Jada Fire announced via Twitter that she is retiring from the industry.

I'm just tired of having sex on camera that's all, but I will continue to webcam. I don't have 2 fuck nobody but me LMAO," said Jada, confiding to her Twitter followers.

Jada was the winner for "Best Anal Sex Scene" in *Manhunters*, as well as the recipient of "Best Anal Performer" in 2009 and 2011 for the Urban X Awards.

THERE IS NOTHING ARIEL AND LINDA CAN'T HANDLE!

30837

Ariel and Linda are a darling duo of dykes who have taken the time and the care to really learn the ins and outs of each others naughtiest nooks and crannies. Ariel knows what truly makes Linda tick, and takes care to lick that spot the longest. Likewise, Linda digs around deeply inside Ariel's divot until she unlocks the lid to Linda's honey pot. Each is an exxxpert at pushing the button of the other; but, instead of it causing an unpleasant argument, it merely makes them cum closer together. Linda's hole hearted commitment to delivering Ariel some delight is endearing and sausage stiffening to see—much in the same way that Ariel's dedication to lavishing loving caresses and long kisses upon Linda's vertical smile is wonderful and prick thickening to watch. All in all, it's always delightful to bear witness to the wonders of uninhibited Sapphic sentiments at work. ♦

DIRECTED BY: Jules Jordan

AVAILABLE FROM: Jules Jordan Video

Creating one of the most popular anal series to date—director, Jules Jordan, has proven himself a premiere pornographer. Filled to the brim with some of the juiciest asses in the jizz biz today—expect loads of glorious gape and ravishing rump shaking!

In what is the ultimate dream pairing—Kristina Rose and Jada Stevens begin this anal escapade in a bathtub. After

squishing their soapy asses together, Nacho Vidal stacks the girls on top of each other, licking Kristina's slit while pounding Jada's round. Simply put, this scene is beyond awesome.

With the heat still pumping, Franceska Jaimes—a lusty Latina—allows Chris Strokes and James Deen to perform double duty on her booty. With nail biting action and plenty of positions—this trio is on fire from beginning to end.

Also demonstrating superior anal skills is Jynx Maze. Undoubtedly, a top performer—Maze proves her illustrious status when she allows Jules Jordan to excavate her anus.

In what becomes a torrential group setting—Phoenix Marie works her way around three wangs in the next encounter. With

each holed stuffed, it's fabulous watching Miss Marie go airtight.

Another stunner taking on two studs is Krissy Lynn. With blonde hair and a bubbly butt—Jordan Ash and James Deen have no problems making it bounce.

Ending on a high note, Kelly Divine brings it home, allowing Chris Strokes to stuff her rump with plenty of hump!

EXTRAS: Aside from the rather lengthy BTS (15 minutes) that shows the cast and crew at play—make fun for the yummy images, a biography on Jules Jordan, and some hardcore trailers for coming attractions. From beginning to end—Jules has you covered!

GEEK GIRLS: THE GAMERS

30498

STARRING: MistiDawn, Lea Lexis, Kimber Peters, Gia Steel, Jordan Ash, Erik Everhard, Danny Mountain, Xander Corvus

DIRECTED BY: Eddie Powell

AVAILABLE FROM: Digital Sin

Professing their love of video games, four *Geek Girls* give us a candid look at the way they like to play. Beginning with brief interview sessions pertaining to their game of choice, the girls are given meatier joysticks in director, Eddie Powell's latest comedic offering.

MistiDawn, a red head with tattoos and big tits—is up first. Beginning with a labia tickle, Jordan Ash wedges his face between her thighs. Later, she dazzles his

cock with the same zest before buckling in half to allow him to score on her bases.

Next, Lea Lexis tells us how much she enjoys her video game before playing with Erik Everhard's wiener. Treating his cock like a lollipop, Lea takes her time slurping his shaft. Although sexy from every angle, the blonde is taken beyond her limits in reverse cowgirl. Score!

Also ready to play, Kimber Peters looks ideal with her play gun and purple panties. Making the most of her pink pussy, Danny Mountain is sure test of the springs of her pierced pussy, but not before she masturbates with her controller first. Later, she does her best work in cowgirl, shaking her tits in his face.

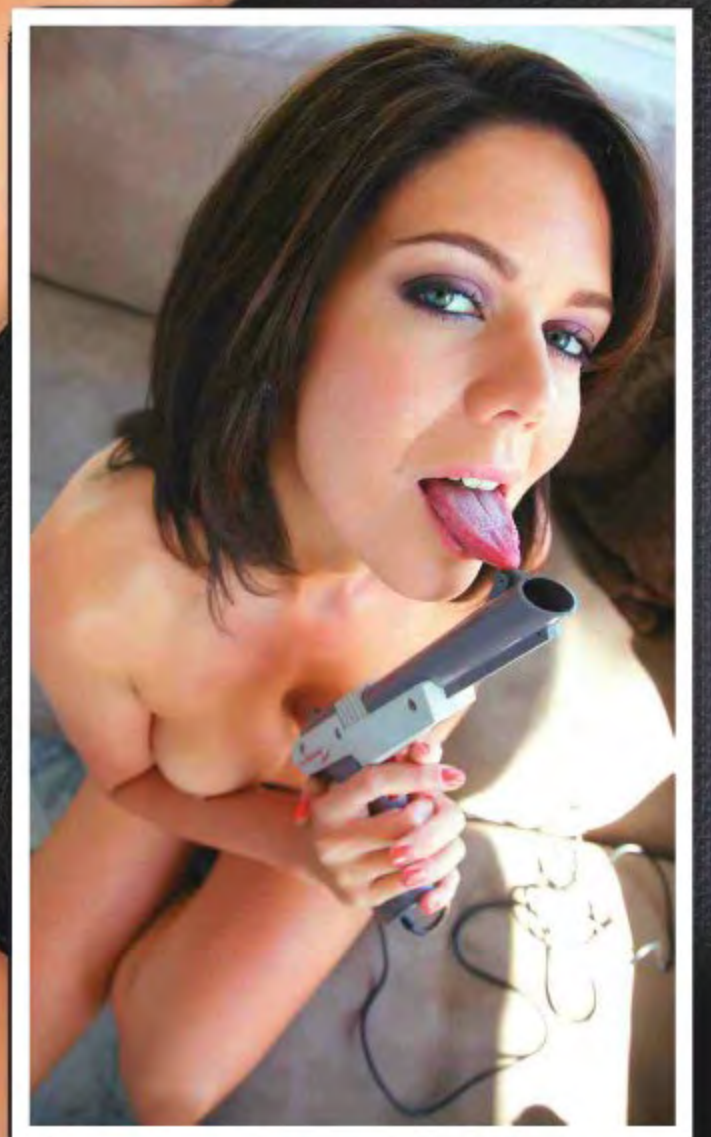

Gia Steel is the final babe up to battle. Playing dirty across the floor, Xander fucks her in every arrangement he can think of, gathering up the highest score for the most spirited performance.

★★★★

EXTRAS: Going well beyond the call of booty, Digital Sin offers two bonus sex scenes starring Jessie Andrews and Emma Mae. With two more babes to salivate over, that brings our count to six! Also worthwhile, is the photo gallery spread and the hot trailers for more featured attractions. With so much fun on the line, all you have to do is press play to spray!

OFFICIAL SCARFACE PARODY

30472

STARRING: Tabitha Stevens, Lexi Swallow, Melanie Rios, Emmanuelle London, Anthony Rosano, Johnny Rocket, Johnny Slim, Blake Richards, Jack Cummings

DIRECTED BY: Gary Orona

AVAILABLE FROM: Zero Tolerance

Loosely based on the original Hollywood production—director, Gary Orona, adds his own artistic twist to the cult classic by creating a sexier storyline. In Orona's rendition, Fidel Castro has allowed boats filled with deviants to seek sexual asylum from the United States—creating a firestorm of erotic drama.

Now free men—Tony Montana (Anthony Rosano) and his friend, Manolo (Johnny Rocket) decide to make money by delivering

a suitcase full of expensive lube to Johnny Slim and Emmanuelle London. Testing out the purity, Slim slips his cock between London's juicy thighs—keeping things wet in several positions.

Hooked on the wet stuff, Montana takes over his former boss's lubrication empire. Soon, Tony's mother, Tabitha Stevens, snags a bottle. Seducing Johnny Rocket—Stevens rubs the oil over her tits and pussy—later riding his cock to the finish line in cowgirl.

Still wanted more of his former boss's belongings—Montana goes after his girlfriend, Elvira (Lexi Swallow). In the hottest scene featured—Rosano splits her open like a wishbone—making her big titties bounce when sprawled out on her back.

Meanwhile, Manolo (Johnny Rocket) falls hard for Gina (Melanie Rios), Tony's younger sister. Pledging his undying love to her, Rocket spreads Rios open across their bed—sampling mouthfuls of her Cuban cunt. Hot!

After more twists and turns—Tony Montana succumbs to a ruthless demise—ending the thriller with a bang! ★★★

EXTRAS: The comprehensive look behind the scenes during the making of the production; is quite entertaining. Being able to watch the cast and crew in action, will give one a more candid look at life behind the scenes of a porn making. Also good, are the banks of hardcore images that are stocked in full. A worthwhile production on all accounts! ★★★

LESBIAN BRIDAL STORIES 5

30604

STARRING: Shyla Jennings, Bree Daniels, Jelena Jensen, Malena Morgan, Lily Carter, Jessie Rogers, Syren De Mer, Amber Chase
DIRECTED BY: Dan O'Connell
AVAILABLE FROM: Girlfriends Films

With intriguing set-ups, another batch of women—both young and more mature—are thrown into a sexual soup where wedding bliss serves as the common thread in this fifth installment.

The movie begins with Shyla Jennings and Bree Daniels playing dress up with sexy wedding attire. Pretending to consummate their union—Jennings positions Daniels on top of her body, until their tits

and clits collide. Vigorously grinding their gooey gashes together—the girls don't stop until they pop!

As the heat dissipates, it reignites in the next scenario when Malena Morgan decides to have one last fling with Jelena Jensen before her upcoming nuptials. Resting her lover on all fours—Jensen scoots behind Morgan and eats out her pussy and asshole. After Jelena makes her cum—Malena chugs on Jelena's slit like a coochie-craved lunatic—forcing one orgasmic blast after another.

Afterwards, Lily Carter and Jessie Rogers also play a game of bridal dress up. Now rolling on the bed—these two mill their teenage cunts together—making for

one hell of a hot, honeymoon session.

Ending with more seasoned lesbians, Syren De Mer and Amber Chase know the exact way around a woman's body. Enticing De Mer to come upstairs for a bit of girl time, Chase gives Syren her best lines and sultry moves by licking her clit and making her squirm like a worm on hot pavement. Hot! ★★★

EXTRAS: Although usually light on the extras, Girlfriends steps it up to include a decent photo gallery spread and website information. Also strong, are the sexy trailers that pack a powerful punch. When combined, one will surely be begging for more beaver! ★★★

OFFICIAL BAD TEACHER PARODY 0603

STARRING: Nicole Aniston, Isis Taylor, Ann Marie Rios, Michelle Lay, Mark Wood, Bill Bailey, John Strong, Dane Cross, Michael Vegas

DIRECTED BY: Mike Quasar

AVAILABLE FROM: Third Degree Films

Taking all the things that we loved about the mainstream production, and adding in plenty of sexual twists—director, Mike Quasar, really does a fun job of recreating the hilarity of this production. With Nicole Aniston in the lead—expect mouths to water.

Playing the role of an uncouth, gold digging teacher—Aniston is clearly the star of the show. Delivering a knockout

scene with Mark Wood—Nicole looks tremendous when sprawled out across a bench in missionary position. With an incredibly gorgeous body, and pretty holes to match—she's vastly becoming a hardcore favorite.

Isis Taylor also makes an appearance, tearing it up in a classroom with Bill Bailey. Bending her over the desk—Bailey gives it to her hard—making her earn some extra credit in a standing doggie arrangement. Taylor earns, solid gold stars, as she looks sensational throughout the scene.

Later still, Ann Marie Rios climbs the wall with the tips of her toes when John Strong squeezes her legs together, humping her hard in reverse cowgirl. Continually looking over

her shoulder—she makes it a point visibly to stay connected with her well-hung co-star.

Finally, Michelle Lay does the dirty with Dane Cross. With his twenty-something cock, and her thirty-something curves—both make the most of their connection by tearing it up across a bed. Making her cum, Cross makes great use of her female anatomy! ★★

EXTRAS: Offering the basics by way of extras—fans can look forward to: A pop shot recap option, trailers for coming attractions, and a bank of hardcore stills. Although the extras are worthy of a quick glance, the real star of this show is the lead, Nicole Aniston. ★★

JAILHOUSE HEAT 3D

30646

STARRING: Jenna Haze, Jayden Jaymes, London Keyes, Kenzie Marie, Kianna Dior, Madison Parker, Alyssa Reece, Sienna West, Manuel Ferrara, Evan Stone, Nick Manning, Tommy Gunn, Marco Banderas, Anthony Rosano

DIRECTED BY: Jake Westwood

AVAILABLE FROM: Digital Playground

Expertly filmed—director, Jake Westwood, sets the screen ablaze with this groundbreaking motion picture. With an all-star cast, as well as breathtaking 3D visual effects—be ready to experience your favorite stars like never before.

The movie soars into action with Kianna Dior and Marco Banderas. Licking her nipples and impaling her hard—Banderas gets the stickiest results when she's in reverse cow-girl position—in a scene fit for a felon.

Later, in a boxing ring—Alyssa Reece is matched up with Sienna West. With the kitten and cougar craze well represented—these two take turns licking each other's cunts. The claws come out, once a vibrator is thrown into the mix!

From here, Madison Parker revs up the production. Taking her for a ride in his mechanic's shop—Anthony Rosano impales every hole she has to offer. He even takes time to admire her blooming onion, before giving her the wet stuff. Smokin' hot!

Continuing in one of the hottest scenes displayed—Jayden Jaymes prances around a hospital setting in a skimpy nurse's uniform, tempting Manuel Ferrara. Blowing his stick, and then allowing him to fuck her pussy across a hospital bed—Jaymes really gives him her naughty TLC (tits, lips, clit)!

London Keyes also has a go with Tommy Gunn and Nick Manning—but the true piece de resistance of this production occurs when Evan Stone feeds Kenzie Marie and Jenna Haze his jailhouse cock!

★★★★★

EXTRAS: The exciting BTS featurette lasts more than 20 minutes, and has Evan Stone walking around the set—talking with the cast and crew. Other cast members have fun with the camera and each other—especially during their photo shoot. Also included, are trailers, and an impressive photo gallery spread.

★★★★★

PUSSY & POLITICS!

I love to please my boyfriend, Dennis. He treats me really well—as long as I don't give him my opinions about politics! We're a thousand miles apart on when it comes to taxes, the war—or how much government is good for people. So, we steer clear of things like that, and just concentrate on what we do best together!

I sure do like sucking his dick, though! I think the best thing a girl can do for her man is know how to suck his cock well. I mean, it's fine if she can make him a delicious omelet or a roast, but those things don't add up to squat if she can't blow him so well it feels like his brains are gonna be shooting out of the head of his prick! And that's just the kind of oral I give my guy, Dennis.

Now, if I didn't let Dennis fuck my ass, I don't think I would have been his girlfriend for very long. I mean, pussy fucking is fine, but both Dennis and I agree that the true sharing of love comes with the joining of man meat and lady asshole! That's the kind of wisdom I learned in the neighborhood where I grew up.

So, Dennis and I get along just fine, as long as I don't wipe his jizz out of my butt too quickly—like it's dirty or something—and start talking politics! ♣

JORDAN

A blonde woman with long, wavy hair is posing outdoors. She is wearing a pink and white halter-neck bikini top. She has a small Hello Kitty necklace and a belly button piercing. She is sitting on a yellow towel, with her legs raised and one hand resting on her thigh. The background is a blurred natural setting with greenery and rocks.

Jana Jordan is the type of babe anyone would be proud to bring home to meet mama. She's gorgeous, nice, intelligent, and well spoken. Oh yeah, and she can fuck like a porn star—but, maybe that's something that needn't be brought up at the dinner table. This beauty really is indeed the whole package, not just bits and pieces of perfection like so many others out there. That's not to say she doesn't have some mighty fine bits and pieces—one look at her delicious titties, awe-inspiring ass, and praiseworthy cooch—and the word "fine" is one of the very first that comes to mind. But, the thing that's different about Jana is everything else is equally astonishing. She's an 11 on a scale of 1 to 10, she's HOTT with an extra "t," and holee-y shit, she's xxxtra special. Thanks so much for spreading the love, Jana! ♡

IRON MAN XXX: AN EXTREME COMIXXX PARODY

When Iron Man's secret identity is revealed, his archrivals are determined to take revenge on the billionaire playboy by stealing his number one weapon—the Ark Reactor. Through crisp directing, and with a rather entertaining script, Seth Gamble—playing the role of Tony Stark/Iron Man—sets the screen ablaze with his goodwill intentions and hardcore conquests. With thrilling special effects and incredible bouts of superhero sex—the overall effect is exciting!

This, and more, is what are being presented in *Iron Man XXX: An Extreme ComiXXX Parody*—an ambitious production brought forth by clever director, Sinister X, for Exquisite Films/Extreme ComiXXX. This is a superhero parody for the ages by pulling out the most interesting aspects of the original production, and by implementing delicious villains, such as: Hulk, Black Widow, and Madame Masque.

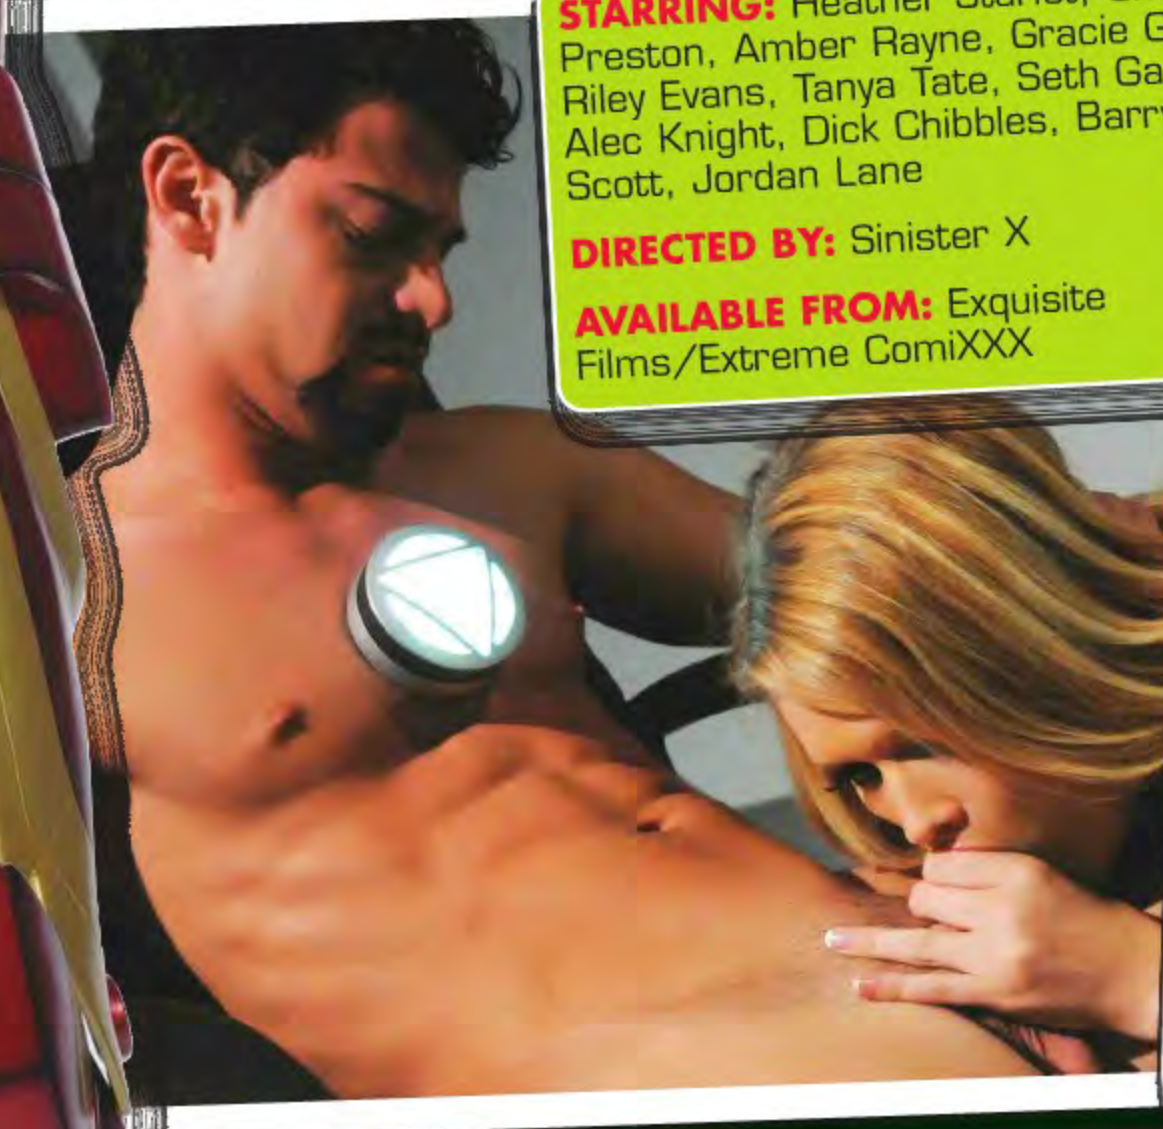

It's day one, and Tony Stark (Seth Gamble) has just made the jaw-dropping announcement that he is Iron Man. Once his secret is out, he goes backstage and is ready to give an exclusive interview to ace journalist, Tanya Tate. Easily falling for her stocking clad legs and ample bust that is spilling out of a ruffled blouse—Stark is instantly smitten with the ravishing reporter.

"Is it true that your health has been declining, and that you have self-destructive tendencies?" Tate charges, holding a tape recorder inches away from his lips. A naturally smooth talker—Gamble avoids the question by

STARRING: Heather Starlet, Chanel Preston, Amber Rayne, Gracie Glam, Riley Evans, Tanya Tate, Seth Gamble, Alec Knight, Dick Chibbles, Barry Scott, Jordan Lane

DIRECTED BY: Sinister X

AVAILABLE FROM: Exquisite Films/Extreme ComiXXX

unbuttoning his shirt and purring, "Do you want to touch it?" Revealing the glowing Ark Reactor that is prominently displayed on his chest—Tanya's eyes light up. It's obvious that she's ready to play, when licking her lips and running her finger down her bubbly cleavage.

Moving in for a passionate kiss—Seth stretches out his fingers and secures them around the back of her neck. Tonguing the edges of her pout, and slipping his tongue in her mouth—Stark begins his erotic form of foreplay.

"You taste too good," he continues, as she unbuttons her blouse and allows her bulging boobies to hang over the top of her lacy bra. When fully exposed—Gamble invites Dick Chibbles to join them. Dropping to her knees, she takes her time pleasuring both cocks with her talented mouth. Sucking the head of one while stroking the other, the men easily grow in her grip, squeezing her breasts as she ingests their balls!

"Damn, this looks hot," Sinister X smiles, seemingly pleased by the way things are unfolding.

As their romp continues, Chibbles bends Tate in half—impaling her pussy in standing doggie display that shows off her mile-long legs. Part of the action every step of the way—Seth scoots right into position, urging Tanya to suck his balls—and she does! Once they've buttered up this English muffin in several more positions—the duo shake their cream across her cupcakes. We definitely like where this is going!

Now that Tony Stark's secret is out, Justin Hammer (Alec Knight)—his enemy—has implemented a task squad of highly trained scientists to create a weapon suit just like Iron Man's.

"Tony Stark has a super suit! Why don't I have a fucking

super suit?" Knight screams, demanding answers.

"Without his Ark Reactor, we can't even come close," the nerdy scientist reveals—shaking in his boots by the demands of his deranged boss.

"So, fucking steal it!" Alec continues, just as Gracie Glam (Justine Hammer) enters with a case containing her own version of the Ark Reactor, called The Hammer Reactor!

"This is how we are going to beat Tony Stark," she smiles, demonstrating its power to the awestruck panel.

Meanwhile, Amber Rayne (Madame Masque)—a diabolical villainess, dressed in a white leotard and a golden mask—has just unleashed Hulk (Jordan Lane)—her own secret weapon against Tony Stark!

Now, back at Tony Stark's home laboratory—Black Widow (Chanel Preston) is introduced as Starks's new assistant, when Pepper Potts (Heather Starlet) decides to leave her position after years of loyal service. Once alone—and after she's revealed secret information about her identity—Preston falls into a memory sequence, recalling her enticing interlude with Jordan Lane.

Slammed in a white room, and across white furniture—Chanel's tanned body and Lane's green muscles are meant to stand out—and they do! Immediately beginning in a standing doggie arrangement—Preston's pussy is bright pink, and her eyes are rolling in the back of her head. Nailing her with his green bean—Jordan playfully smacks her curvaceous ass, and doesn't let up

until girl gloss begins trickling down her inner thighs. "Ah, yah, Ah, yah!" Chanel pouts—loving the feel of his green goblin.

Grunting and growling throughout, there aren't any verbal words being exchanged by these two fuckers. Instead, they are concentrating on each other! Now on her back, Lane holds her legs open in missionary position and continues barreling down on the pristine porn princess. With green paint beginning to smear across her skin, and blotches of missing paint now visible across his muscular frame—their physical attraction to one another becomes quite obvious. As his creamy dip cascades across her tongue, signaling their finale—it's safe to say that these two fucked hard—and dirty!

Eager to create a weapon suit for himself—Alec Knight turns to Riley Evans—Tony Stark's psychotic ex-girlfriend for assistance.

"Get the blueprints for Tony's suit," Alec charms—trying to seduce the blonde bimbo with his powerful voice and sexy authority.

"You mean, steal them?" she juts back, twirling her hair around her fingers to create golden rings.

"No, think of it more like a trophy or as a souvenir," he contends, lunging at the beauty to sample her lips.

Just as willing to play—Evans falls to the floor, tearing her blouse open to reveal

a sexy, red bra and perfectly natural tits.

"How about I suck your cock?" She sighs, looking up at him with her crystal blue eyes, before yanking his wang from his trousers for a preliminary suck. Nodding his head, "Yes," Knight loosens his tie and watches Evan's mouth fill up with his meaty parts. "You're a great, little cocksucker," he smiles—holding her pretty face in his hands to get a better look at her rounded out cheeks.

Spreading her wide across his stately desk—Alec gets the most mileage out of this leggy blonde in a standing doggie arrangement. Positioning her ass to the camera, and rearing back to offer a more unobstructed view—it's delightful watching Riley's pussy expand as it takes his big cock...down to the balls!

Now, after Madame Masque and Hulk infiltrate a press conference moments before Knight and Glam are about to unveil the power of The Hammer Reactor to the world—they are left looking like fools. Realizing that they can't beat the powers of Madame Masque—they decide to join forces for the common goal of exterminating Tony Stark, but not before kidnapping Pepper Potts, of course.

Sliding over to make the deal, Gracie Glam joins Amber Rayne at her seedy lair, with her bodyguard, Barry Scott.

"I want to kill Tony Stark. You want to kill Tony Stark. Let's kill Tony Stark!" Miss

Glam says in a sexy, but stern, husky voice.

"What do you have to offer?" Masque questions, as Gracie goes in to remove Rayne's golden mask. Revealing a nasty scar that spans the length of her face—The AVN "Best New Starlet" award-winner makes Rayne feel beautiful, despite her deformity.

Delivering the most spirited scene in the movie, Gracie, Amber, and Barry do the dirty across a discarded mattress. The ladies begin with Glam sucking the head of Barry's cock—while her devilish friend plays tonsil hockey with his balls! Slurping and sucking—it doesn't take long before the room fills with the audible sound of their oral assault.

"This is a great scene," Sinister X boasts, excited about the sexual flow of these top-notch performers.

From here, Amber lies on her back and takes it hard from the well-hung stud. Egging him on with sexy grunts—Madame Masque is definitely a girl who likes things rough. Kissing her friend and helping to pull her pussy lips open to allow Barry to get the absolute most out of her pussy—Glam is outwardly turned on by this tantalizing three-way.

"Get it, baby," Glam later shouts, after noticing that Madame Masque is moments away from exploding with her first orgasmic rush. Finally, success, as gobs of goo streams from between Rayne's legs! Wow!

Next, the girls take it hard in a variety

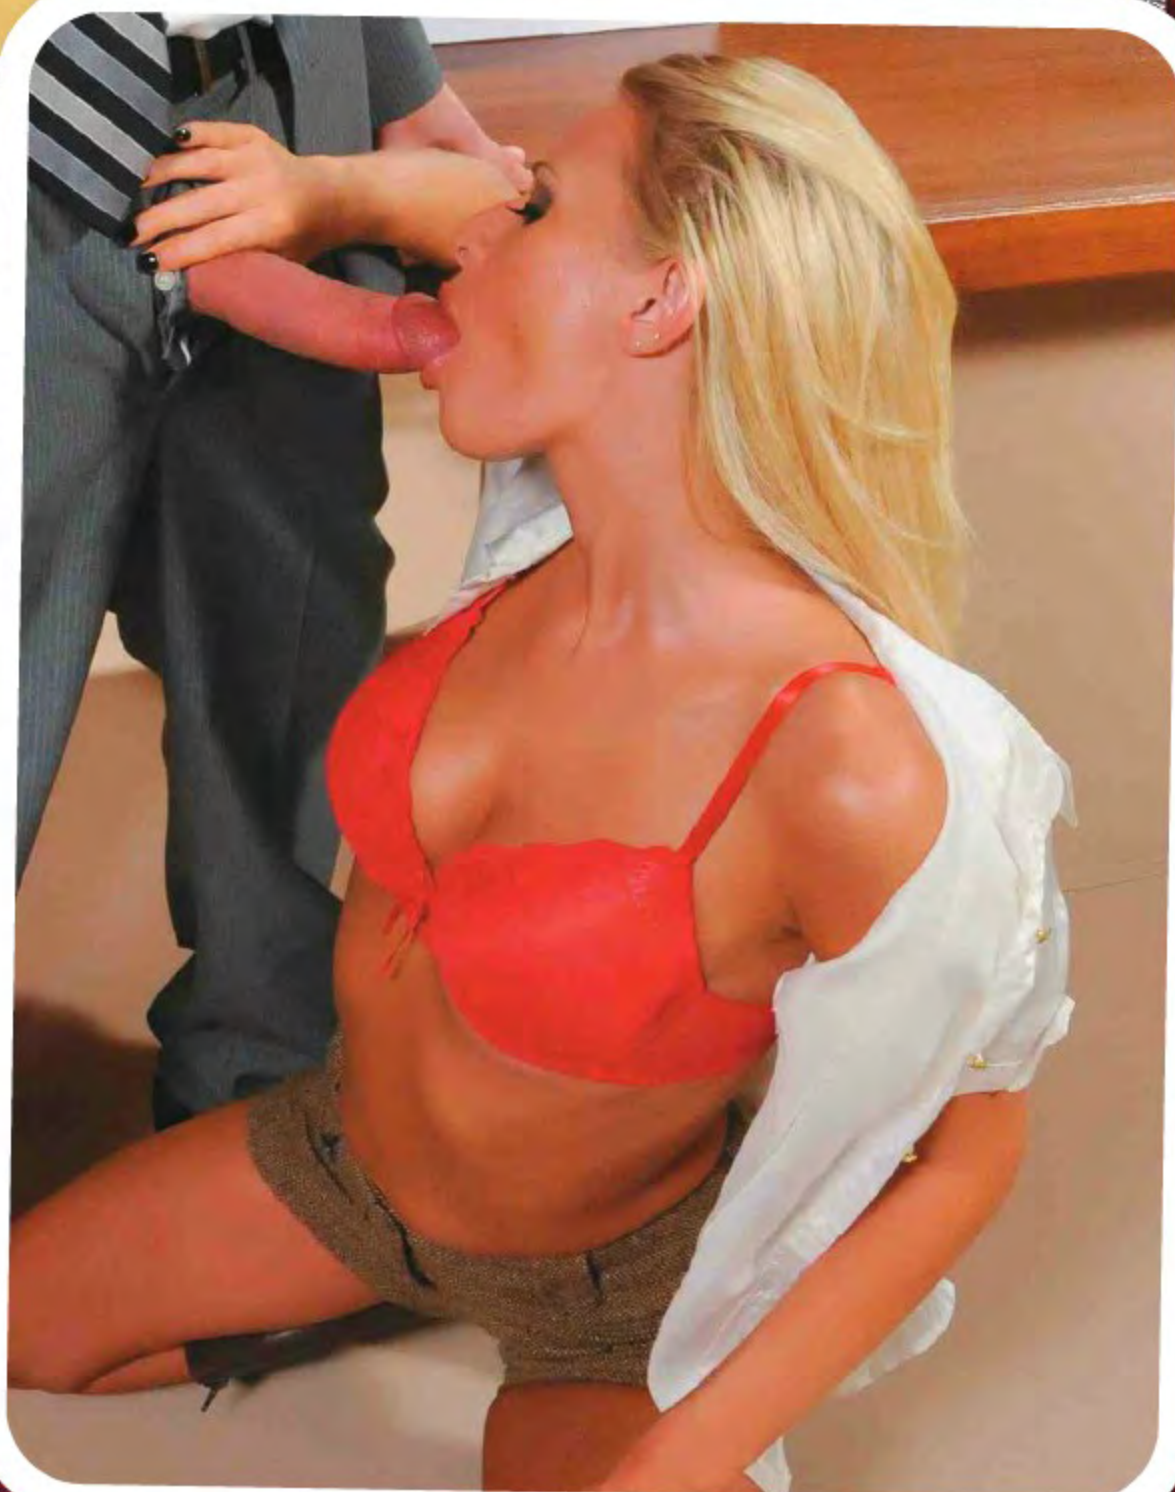

of positions—yanking each other off his cock when it's their turn to ride his baloney pony. With the most heated display coming from Gracie shaking her rump in cowgirl—Amber is never left out of the sequence. Instead, she spends her time licking Gracie's asshole, and collecting the sex drippings with her tongue. Hot!

From here, Tony (Seth Gamble) sets out to free Pepper Potts (Heather Starlet) from her captors. Once home, she finally professes her love for Tony. With a juicy blowjob, followed by plenty of heart thumping vaginal positions—it's easy to see why he's chosen to keep Potts on his payroll. Since this is the most pivotal scene of the production, we've decided not to give too much of it away, but only to say that this pairing is not to be missed!

With more action yet to come, and wild twists and turns yet to unfold—there isn't a moment of this superhero cockbuster that should be missed. Just when the story seems like it's all wrapped up—a surprise ending closes out the experience with a bang! Can you smell a sequel? We certainly hope so!

Jim South's hard day at The Orifice

How does a girl go from graduating from high school and just turning 18—to becoming a major porn star overnight? Watch and drool as thousands of hardcore hopefuls show up at World Modeling in search of sex, fame, and fortune, and our carnal cameras capture it all! The uncut interviews, the raw test-shots, the uncensored crazy antics, wild times, and out-of-control X-rated hijinks of porn star wannabes gone *wild*—all recorded and told for the first time *ever* in any magazine, in *Club International* only! It's funny, it's freaky, it's fucking insane!—But most of all, it's 100 percent real! Don't miss it every month, as we feature the hottest adult starlets of tomorrow....today!

For all its hardcore historical influence on, and importance to the XXX Industry—World Modeling Talent Agency is a very small, and closely-run adult operation. As founder and owner, Jim South, helms the daily-doings from behind his large desk at one end of the World Modeling office—there is only one other desk in the office—and over the years, a large number of "assistants," "associates," "managers," "agents," and various other-titled sidekicks have occupied it. They've answered the phones, interviewed new models, updated the website, booked the jobs, cleaned the refrigerator—in other words—whatever has to be done to help South.

And now?

For several years, South's own son, Jim South Jr. (Or "Junior" as some call him) has been his right-hand man. At the tender age of 18, fresh out of high school, Junior began working by his father's side at World Modeling—learning the X-biz from the inside, and turning the agency into a true, family business.

"I've always looked at World Modeling as a family," says South Senior, glancing across the office at his son, as Junior simultaneously types on his computer, answers the phone, and motions an incoming model to fill out

Amy Brooke" with

some paperwork. Now, I like to think of us as a family...within a family."

In fact, a number of "Souths" have worked at World Modeling on and off over the years, including another son of South's, and various family members, but Junior has been the one steady blood relative addition to the World Modeling team, and as seen by his family and the rest of L.A. porn land—the younger South will be the future of the company.

"Dad, where did you put the pictures of Roxanne Hall and Kandy Hart?" inquiries Junior of his father, as he places a caller on hold, takes back the paperwork from two aspiring actresses who've walked in, and non-stop works on his keyboard.

As for Junior's part in the company, over the years, he's done everything "right" to demonstrate he's a worthy "heir apparent" to the World Modeling dynasty. Young, smart, and good-looking—when Junior first appeared with his pop at World Modeling's office—clogged with veteran porn stars, just-turned 18 sluts-in-the-making, and male studs as territorial and aggressive as jungle lions protecting "their" turf—the youngster would not have been blamed had he turned tail and opted to go

to college instead (his father has always told Junior he could either work, go to school, or whatever he wanted, and South would support his decision 100 percent). However, to Junior's eternal carnal credit, he didn't blink. Not once.

"I was always fascinated by my father's work, his job. When he would go to work everyday, I would always wonder what he was doing," recalls Junior. "So, when I graduated high school, I knew exactly what I wanted to do—I wanted to go to work with my dad."

The main attraction? The girls, right? Wrong. While Junior's position as South's son, and second-in-command at World Modeling makes him a prime romantic and sexual target for the non-stop flood of horny hotties that stream into the agency daily—he's never let the pussy fumes get to him. Low-key and all-business—Junior quickly garnered a well-earned rep for professionalism and humility—never taking advantage of his father's stature and power for personal gain.

Of course, that didn't stop many adult biz cocksters from always inviting Junior out to dinner and parties in the hopes being friends with him would give them preferential treatment (it wouldn't), and stop many sucks-for-bucks babes from making moves on South Jr. expecting lucrative acting roles in return (it won't). However, in spite of it all, Junior has kept his cool—diligently focusing on his job responsibilities, and not letting himself get lost in being a "mini-celebrity" of sorts because of who hired him.

"I'm very aware that some girls think that if I go with them—that they will get better jobs, or something, but that's never the case," smiles Junior.

"This is a business first, and that is that. So, I don't get caught up in that. I've met thousands of girls working here, that's just the nature of what we do."

Just then, two of World Modeling's hot new properties amble in. Blonde Bombshells, Missy Woods and Marilyn Scott—both total newbies from Texas have arrived to get their sex-assignments for the day and week—Junior immediately turns his attention toward them. "Good morning, ladies. Have a seat," he intones.

Both girls are super-excited to begin their careers as hardcore harlots. As well, they are pleased to be attended to by Junior this morning, as South Senior is busy with other clients. As single women new to the L.A. X-scene—both would love nothing more than to have an attractive, young man squiring them around, and they are both openly flirtatious with Junior.

"You look really good today, Junior!"

"Junior, have you been working out? It shows!"

"Hey, Junior, what's there to do around town at night? I'd love to see sights!"

"Do you have a girlfriend, Junior?"

Junior smiles, but the compliments bounce off them like ping-pong balls. He has to make sure the girl's schedules are set, that they know where to go, and that their pay-rates are locked in. However, the two Texan cuties don't give up—winding up on Junior's lap eager to show him they mean "business" as well!

"Do you like my breasts, Junior?"

"No! Mine are nice, don't you think, Junior?"

"You can feel mine to see they are better!"

"Oh yeah, well you can suck on mine if you want!"

Missy and Marilyn have Junior laughing at this point, and he gingerly, yet firmly, gets the girls to put away their boobs and return to the office couch. "Thank you, ladies, thank you, but we've got to get you going!" And with that, Junior motions to the office driver who has been standing by to take the girls to their scenes. "Okay, they are ready to go!" The girls playfully pout, blow kiss-

es to Junior and South (who is on the phone and waves) and follow their driver out the office door.

"They can be a handfuls sometimes," Junior offers, a bit red in the face from all the female attention. "But, I've been there, done that. So, I just try to keep it friendly."

For the elder South's part, he's proud that his son has never lent the XXX-fame of his last name, or his position at World Modeling to go to his head, and go snatch crazy like a kid in a candy store.

"Junior has always been very level-headed, and smart about all the girls that come through here. He's always kept things in perspective." Of course, that doesn't mean that over the years, on occasion, love hasn't bloomed for the younger South, but he's always kept in on the down-low, and most other X'ers never even knew who his girlfriend was, when he was in a relationship.

"My job here, is really to support my dad—to do whatever has to be done, because it's really just the two of us full-time. Answer the phone, do all the computer work, take pictures of the models—it doesn't matter what it is—I do it," says Junior matter-of-factly. "It's all good."

Future-wise, neither South nor Junior seem to talk much about any transition of World Modeling from father to son, although it's something everyone in the sex biz pretty much takes for granted. For now, it's just a matter of grinding out the daily work of the agency, finding new girls, and keeping the office humming along at a crisp pace.

"It's a dream job for sure, for years, all my friends want to come visit the office, and ask me about all the girls," grins Junior. "What will happen sometime down the road, I don't know. But, in the meantime, I just try to concentrate on my work and what will be, will be."

GEMMA MASSEY

INSATIABLE BRIT!

30833

Adult model turned porn star, Gemma Massey, began her cum-drenched rise to stardom when she hooked up with Bluebird Films's mastermind, Paul Chaplin. Since then, Massey has put her cock-riding prowess before then lens in blockbuster Bluebird titles such as *KatwomanXXX*, *Gemma Massey's Lady Days*, and the highly anticipated wood-raiser, *Nikita XXX*. Anyone who has seen Gemma working cock and cunt on screen knows that behind those bright eyes and virgin smile, is an English ingénue who puts her need to get fucked long and hard above all other desires. Read on to find out why orgies are at the top of her list, what's Miss Massey's secret kink, and her favorite toy that made it on set for her most coveted scene to date. ▶

Club International: How did you become so free and open, sexually? Were you raised that way?

Gemma Massey: My family is Italian a bit, and Irish— and quite Catholic. My mum and dad are very traditional, so I wouldn't describe them as 'free and open.' The thing is, though, they've always supported my modeling career, and they're proud that I'm making my own way in the world. There's nobody my age, around our little town in the English Midlands, who makes the money I make, and that gets you respect. I remember I was home one day, because I still visit my family every week, and there were some *Passenger 69* videos in my bag, which was lying open in the living room. My dad saw them and went: 'Okay, so you're a porn star now, then?' I said, 'Yep.' He went, 'Okay.' That was that.

CI: How did you get involved with the crew at Bluebird Films?

GM: I started working on the glamour side for BabeChannelBabes and on Bluebird TV. Being around the studios, I saw how the porn films are actually made, and how much fun they have doing them. So, I asked PC [Bluebird owner, Paul Chaplin] if I could get into that side of the business, but I only wanted to work with my then husband, and PC; And I've kept it like that— except for a bit of on screen fun with Tommy Gunn in *Nikita XXX* and *Baberunners*.

CI: According to your filmography, most of your work has been in girl/girl scenes. When it comes to making movies, do you prefer sex with women over sex with men?

GM: You haven't been keeping up with my movies. I started off in girl/girl, like most Bluebird girls. It gives the fans a taste, and keeps

CLUBXCELL.COM

club INTERNATIONAL

GEMMA

them interested and looking forward to more. I actually shot the boy/girl stuff first, but we only released that after we'd given a run of the girl/girl content.

CI: *We were shocked that you did not get nominated for the "Best New Starlet" awards at either XBIZ or AVN. Were you disappointed not to get nominated? Is being recognized by the industry for your work important to you?*

GM: That's no surprise, because those awards are reserved for U.S. girls. I'm up for 'Best Foreign Actress' at the AVNs 2012, and that's great! My recognition is tons of DVD, web and calendar sales, and 15,000 plus Twitter followers.

CI: *In KatwomanXXX you played Jokette, and got to perform in costume and makeup. I think that KatwomanXXX has some of the best sex work you have done in movies. Do you think the costume and makeup inspired you to get a little wilder and freakier during your sex scenes?*

GM: Freaky? Oh, thank you very

much. This is all about the chemistry between me and PC. He knows how to choose roles that really work for me. He builds characters for me around my personality, which is, I guess, quite 'out there,' but it works in sex scenes, because we're together, and he just knows how to sex act with me, and make it fabulous.

CI: *In KatwomanXXX you also use a strap-on in your threesome with Jennifer Dark and Anna Lovato. Did you get turned on fucking girls with a simulated cock?*

GM: Er... yeah! That was my own strap-on. I use it in 'real life,' although Bluebird is a lifestyle—we're all having fun on and off camera, it's just that some of it you get to see on film, but a lot you don't.

CI: *Bluebird movies employ lots of threesomes, orgies, and larger group sex scenes. Are group sex scenes more fun to shoot than one-on-one action? Which do you prefer?*

GM: I love the orgies. What works really well, is for me and PC to shoot boy/girl together; while a bunch of

hot, horny, girl/girl stars are licking out around us.

CI: Have you participated in group sex sessions off camera, or are you more of a "One at a time" kind of girl?

GM: Of course! Loads of us swing at Bluebird. Even when I was married, we'd have group sessions at various nightclubs. The more the merrier.

CI: Some performers don't like to work girl/girl scenes with girls who are faking it, or are Gay For Pay. Does it matter to you if the girl you are working a scene with is not actually into chicks?

GM: [I] never had that problem. All the girls at Bluebird are totally Bi; otherwise, they wouldn't be there.

CI: Is it important to you that you get your partner(s) off in every scene you do?

GM: It's not much of a scene if I didn't. Anyway, I can't imagine me and PC ever having a problem—on, or off set!

CI: I have been really surprised by how many porn stars have secret fetishes and kinks they are into. Are there any

secret turn-ons that you have that you would like to let the readers in on?

GM: Okay, if you promise not to tell anyone: I like fucking a guy, while a girl does my ass with a strap-on. Now, shhhh.

CI: Out of all the scenes you have shot so far, whose tongue has done the best job of getting you off on camera?

GM: PC's, obviously! And for the girls? Anna Anna Anna! [Glambird star, Anna Lovato]

CI: Which of the scenes are you most proud of?

GM: For acting—the scene in Nikita XXX (releases in 2012), where I'm walking through the rain, then trying to get back into the security compound. For sex—it's gotta be the Jokette/Katwoman/Jo-Kerr scene in KatwomanXXX.

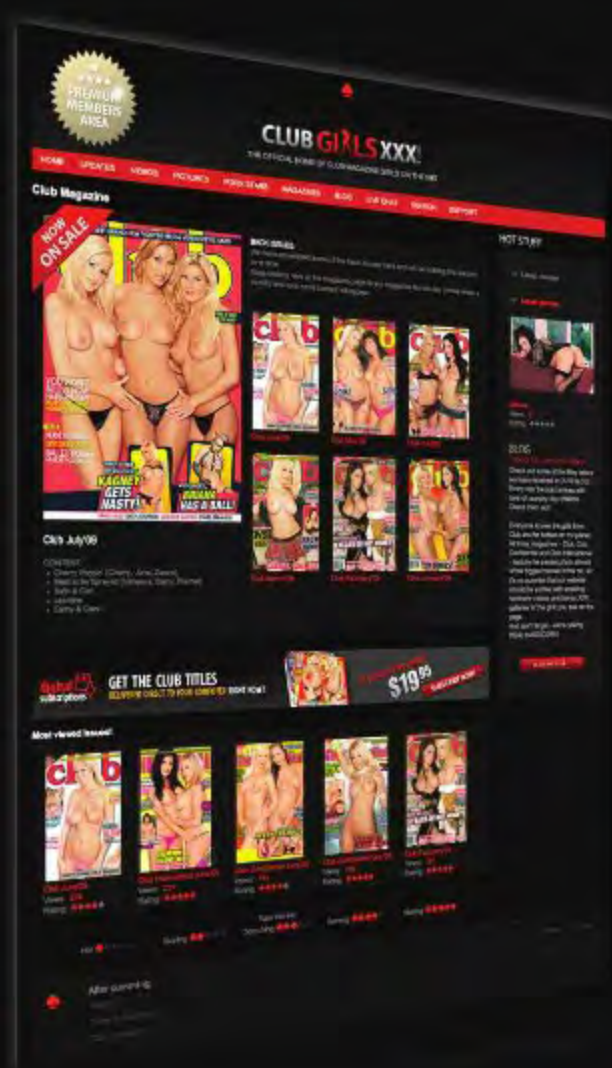

CI: What are the best ways to check you out and keep up with you online?

GM: Twitter is the best @LadyGemmaMassey.

Of course, you can keep up with my scenes at *Glambirds.com* and other Bluebird sites. ♣

female—sexually liberated—of course, who loves erotic literature and all forms of adult erotica. I'm proudly bisexual, with an equal bent toward men and women. I've had many partners and many varied, exciting encounters. Yet, this recent episode was one of my most arousing.

Ironically, while I like "pretty boy" men, my taste in women runs to the butch, more-masculine type. That's probably even more ironic, because I consider myself very feminine. I'm a blue-eyed blonde, tall, shapely, and quite attractive, if I do say so myself.

Anyway, I was in a rush to get where I was going, and I wasn't paying attention to my car's speedometer. Speeding along, I heard a loud siren, then looked back in my mirror to see flashing lights in my rearview mirror.

I was so nervous, because I hate being pulled over. More than, I hate the nasty cops who usually do the pulling over. I watched in my side view mirror as a leather-clad cop—helmet-

she said, "You know you were doing 82 in a 55 zone, right?"

I just shrugged. She was very professional, yet I could tell that she was interested in more than writing me up. I, too, was quite interested. She was certainly my "type," and I'm always up for new meat—male or female. I decided to test my whiles on her, so, I started to smile a bit more—while batting my eyes, and wetting my lips with my tongue, I joked, "Hey, it's not the first time I've been caught doing something I shouldn't be doing." She just smiled back slyly, told me to relax, and that she'd be back in a few minutes. She then, went back to her car with my license and registration.

Sure enough, she came back a few minutes later; this time, in addition to my documents—she had a speeding ticket in her hand. I guess my charms hadn't worked, but I wasn't ready to give up on her.

"Officer Mackey (as her nameplate attested), the least

ed to the hilt—with dark sunglasses and thigh-high boots—strode closer. Gritting my teeth—I prepared to face the glare and leer of some asshole cop who tried looking down my blouse while lecturing me about the perils of speeding.

As the cop reached my car, when I rolled down my window, I received quite a shock. Hearing the words, "License and registration, please, ma'am," took on different meaning when mouthed by a female. Yup, my accuser was a woman—and just my type, too—butchy and delicious. She was very sturdily built, yet her face was attractive—at least to me. She removed her helmet and glasses, revealing her steely blue eyes and short cropped, blonde hair. She was a butch dyke—of that, I was positive. I was also sure that she took quite an instant attraction to me. It's just a sexual sense I've developed over the years.

I handed her my papers, and

you can do for giving me a speeding ticket is buy me a drink. Don't you agree?"

I could tell that she was taken aback by my aggressiveness, yet quickly regained her composure.

"Ma'am, that wouldn't be professional. So when I drown my sorrows when my shift ends at four p.m. at the Roaring Lion Pub, I'll forget our little encounter."

She strode away. I knew the bar she was talking about, and I also knew she was expecting me there at four. I made sure to take care of my business, and I entered the bar a little after four. Sure enough, there was Officer Mackey—sitting on one of the stools. She looked a lot better than before. She still looked manly, yet more attractive without her cop gear. I sat next to her, and she asked me what I was having. When I answered, "A shot of vodka—and a taste of your pussy—" her face lit up.

We were back at her place in no time flat. Vicky (her off-duty

name) was quite the specimen. Built as sturdy with the uniform off as with it on—she was as no-nonsense in bed as on the job. Taking control, she began by devouring my tongue with hers. Then, she sucked my small tits and fingered my wet pussy. I was growing wetter by the second as she let her head trail down to my crotch, and began eating me. Holding my thighs apart—she plunged her tongue deep into my box, while her head stayed motionless for a very long time,

and her tongue danced inside my quaking clam. I came—but neither one of us was yet satisfied.

From one of her drawers, she pulled out a strap-on dildo. It was about seven inches long, and very realistic looking. Putting it on, she mounted me missionary style. Wow, she knew how to use that fake dick! She fucked me better than most men could with the real thing. As I wrapped my legs around her waist, she pumped away—knowing just how much pressure to

exert, and how to reach my most sensitive spots.

As she fucked me, I began to cum, and she began to moan. From the friction of fucking me—the fleshy toy rubbed against her clit—sending her over the edge at the same time as I came. It was quite an evening. While I'm not glad I got a speeding ticket, I am glad I made a new "friend." I think the next ticket I get from Officer Mackey might be for "excessive fucking." —Carol C., Boise, ID

TRIP OF A LIFETIME

I'm a well-to-do older man with plenty of time on my hands. I'm also lonely, and even at my 61-years of age—I'm still very horny. I'm once divorced, and I've been out with literally, hundreds of women. The female population of America just doesn't get it. The women—regardless of age, looks, or social status—are all greedy, sexless, and could just as well be lifeless. That's why I knew I had to find a better way. After watching a report on one of those "news-magazines" on tv, I decided to look elsewhere—as in, out of this country. I decided to see what the Philippines had to offer.

After much research, I booked a trip to Manila through one of those foreign dating websites. The ultimate goal of the agency sponsoring the site is to hook up lonely American men, with young foreign women looking to marry and move to America. I don't know how nuts I was about getting married and bringing home a young wife, but I figured I had nothing to lose (except the several thousand dollars I had to pay for the experience). Well, let me tell you, it was the trip of a lifetime!

I was booked for ten days in the populous city, and promised at least 30 "dates" with different young women. The agency didn't disappoint. Of course, they didn't promise sex, but I knew the score—as did the ladies. Several of them were desperate to leave their homeland for a better life in a better place, and would do whatever they had to in order to make that happen. All I wanted was to fuck some exotic, hot, young chicks that didn't have the sour attitude I was used to in the states.

Over the course of the first six

days, I was introduced to quite a few babes. Not all of them were to my liking, in addition to their attractiveness bordering on average. However, they were all considerably younger than me, and all were eager to please. My scorecard tallied nine pussies dicked by the time I met Yoki.

She was unlike any of the others—unlike any other woman I'd ever met. We were set up to meet for lunch, and from the first time I laid eyes on her, I was smitten. 19-years-old, and cuter than cute could be—her personality was contagious. She was bubbly to the nth degree—intelligent, fun, funny, and just—for lack of a better word—perfect. However, what

was really different about her was the smoldering sexuality, which lied beneath the surface. It was easily discernible.

We ate and laughed over a long lunch. Afterward, she took me sightseeing, and she showed me interesting places off of the beaten path. She was a little over five-feet, with short dark hair, a petite frame, and piercing dark eyes. When the tour ended, I invited her back to my hotel room. She smiled like an angel, and eagerly agreed.

Back in my room, things heated up quickly. She sat next to me on the bed, and we began kissing. Yet it was more than kissing. It was as if our souls touched. Yoki

whispered into my ear, "You just relax. Let me take care of you. A woman must take care of her man." And that she did! The other Filipino girls I had fucked were all sweet, sexual, and accommodating. Yet, Yoki was different—so much more different.

She told me to lie back, and then began undressing me—taking great pains to remove my clothing as neatly as possible. Then, she undressed, and her lithe, young body sent shivers down my spine. My cock sprang to attention as if I was 25, and Yoki went to work. She acted as if my body was a shrine, and she was there to pay homage.

Yoki began at my feet, by first massaging my soles, and then moving to my toes. The feeling was indescribable. Needless say—no one had ever done that before. Then, she began working her way up my body—using both her hands and mouth to make me feel sensations I had never felt before. Her tongue dipped inside my belly button, swirled around my nipples, and inched into my ear canal. However, I knew true Nirvana when she began sucking my dick. Her small mouth opened wide, and she inhaled my cock—taking it all the way down her throat and holding it there as she exercised her larynx muscles. For her young age, Yoki was a professional and Sensed when I was about to cum, so she let up the pressure.

She then mounted me—easing her pussy down on my throbbing pecker. Her cunt was incredibly tight—the tightest I'd ever felt. She had unbelievable muscle control of her nether region. Then she began shifting positions, contorting herself in ways even the Kama Sutra never listed. All the while, her pussy grasped my cock like a glove melded onto a hand. She looked in my eyes while smiling the whole time—letting out small, audible gasps of pleasure emanate from her throat. She then whispered, "Let it out." I began to cum, and her pussy literally milked my cock—not letting me go until I came more than I'd ever cum at one time—perhaps more than I usually cum in a whole month!

To say it was love at first fuck is stating the obvious. That was two months ago, and I'm now petitioning to get Yoki a Visa to bring her over here with the intent of eventually marrying her. I've found my soul mate, and I hope we live happily ever after!

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

GET TEASED BY HER NIPPLES!

You know, I think we take nipples for granted these days, and that's why it's good to sometimes cover them up when you'd ordinarily expect them to be bare. That's why when I'm in the mood to really tease a guy and make him wonder at the "Mystery of Me" at the same time, I come into the bedroom totally naked, EXCEPT for my Tantric Binding Love™ Satin Pasties. They're 2.25 inches in diameter, trimmed in black lace with little red ribbon bows, and made of polyester and come with adhesive strips. Sometimes, I'll push my guy down on the bed and climb on top of him, rubbing my pussy against his cock while my titties dangle in front of his eyes with these pasties covering up my nips. I'll brush my boobs against his face while I hold his hands down on the mattress, and I'll tell him that if he's a good boy and fucks me well from underneath, I'll let him tug off the pasties and suck my nipples a little, too.

See what a cool item can do for your imagination, not to mention your orgasms? Check these out for your woman in the "New Items" section at www.calexotics.com, and see also the many other Tantric Binding Love™ items they have there!

SENDING UP HER STICKY COCK ALERT!

Every couple has their ways of letting each other know when they're "in the mood." Some things I use to make a man aware of my impending need to explode on his dick are these Let's Party™ Peni-Stickers™ available from www.calexotics.com! Say I'm making a guy a nice dinner and we're planning on just having a quiet evening at home watching something from Netflix. But, while I'm making the coffee and getting the dessert ready, I suddenly feel a flutter under my apron and realize that a quiet evening is NOT exactly what my veegee has in mind! So, what I'll do is bring out my guy's plate with a few of these Peni-Stickers attached! And I'll even take a few and stick them on my blouse, so he'll see that my entire body has his COCK in mind! Let me tell you, it gets

NAUGHTY MASTURBATOR GAMES!

I don't like to give guys ordinary gifts. I guess I'm selfish, because I like to give them gifts that will give me some pleasure too. Now, one thing I enjoy doing is watching a man masturbate, so I try to give him gifts that will encourage that nasty, lovable male habit. We females just don't masturbate; that's just a media myth--NOT!

Recently, I gave a rather shy guy named Brian whom I was seeing a Candy Girl™ Glittered Masturbator. At first, he thought I was fooling around, but when I said that I wanted to see him pleasure the 7.1 ounce super-stretchy glittery sleeve made of TPR, and that I wasn't going to let him touch me until he'd blown at least one naughty load in the Masturbator—well, then he was convinced. I had him take off ALL his clothes while I was still dressed in a dark blue frock, pearls, and black pumps, and then I sat him down in the middle of my living room carpet with the Masturbator. Soon, he worked his cute little weenus into the glittery 4.75 inch x 2.25 inch ribbed inner chambers, and I told him to get into a nice rhythm and shoot a good load. "Look at the cute Japanese cartoon girl on the box cover too, if it makes you hotter," I said. Well, the combination of my dirty chatter with the soft, realistic texture of the Masturbator set off Brian pretty quickly. What a gooey mess. After he washed out the Masturbator, I then I rewarded him for obeying my instructions by sitting on his face.

Inspire your lady friend by getting a Candy Girl™ Glittered Masturbator at www.calexotics.com, and using it in front of her. Tell 'em Ivy O'Neil at Playtime sent you!

a big laugh and as we all know, laughter is one way to get your lover in the mood to screw you silly! So, if your girl sometimes complains that you are "not aware of her needs," give her a pack of these Let's Party™ Peni-Stickers™ so she'll be able to give you a thumbs up when she wants some cock! They come in a pack of ninety stickers, enough to set off plenty of good lovin'!

THREE CAN PLAY AT THAT GAME!

NO MATTER WHAT THEY SAY...DO IT!

Eileen never thinks twice about taking on two dudes at a time, not even when they are as solid and well-hung as Victor and Bob. In fact, guys that size are what she prefers. As far as Eileen's worldview goes, she figures that if a girl's gonna go out and get herself fucked she might as well feel it. Another thing about Eileen is that she's really into anal. All it takes to make her day is to pack her ass full of pecker—something that Victor and Bob are more than happy to oblige her with. They take turns banging her out, with whomever is the non-dominant dipstick getting his knob spit-shined in the meantime. They even double stuff her, one in front and the other in back—at which point Eileen has a rager of an O. She really grooves on getting her holes stuffed deep, it's a wonderous thing. After her climax, Victor and Bob pop all over the place, sprinkling the satiated Eileen with droplets of spooge. 🍆
